PROFILE

I am currently student at The University of Edinburgh with self-taught full stack web development skills.

I am looking for Internship, Part Time or Freelance opportunities which will allow me to work in a collaborate environment and further my skills in software engineering in general.

EXPERIENCE

Outfit of Tomorrow

2022 - 2023

Freelance Work

Website

I Designed and implemented an E-commerce style website with an interactive outfit designer. It is maintained using a content management system.

Browser Extension

I worked with another developer to create a product recommendation google browser extension.

Legends Sports Bar Aberdeen

2022 - Current

Freelance Work

React Native Mobile App

I Designed, implemented and launched a booking and information app to both the Google Play Store and the Apple App Store.

Graphic Design

I design Menus, Posters and Social Media promotional content as needed.

Edinburgh University Men's Hockey Club

2023 - 2024

Website Secretary

Website

I designed and maintained the website for the largest university men's sports club in the UK

Hack the Burgh

2024

Tech Team

Website

I worked alongside a few other students to create the website for Edinburgh Universities biggest hackathon as well as helping to run the event.
